

The Bruning-Davenport USD parent group is called SPI (Storm Parent Involvement). The SPI is a group of parents, teachers and administrators that was formed by those who attended the Parent Involvement Conference in February 2008 at Fairbury High School. The sole purpose of SPI is to bring teachers, parents and children together for fun and educational involvement in the school. Our main goal is to promote involvement from all parents in the school district to help with these events and to further improve the quality involvement with parents and the school.

The Elementary Carnival Night will be held May 15, 2009 at the Bruning Building from 6:00pm-8:00pm. There will be a hot dog meal, games, face painting, balloons, and many prizes. There is free admission with a cost for the meal. Come and have an evening filled with fun. If you are interested in volunteering please let Mrs. Barton know.

**Storm Parent Involvement
April 14, 2009 Meeting Minutes**

***Fairbury Parenting Conference-May 2, 2009**
