**TO BE THE BEST SMALL SCHOOL
 IN THE STATE!**

FROM THE PRINCIPAL: You all know the saying, “If you want to experience all four seasons in one day, just live in Nebraska!” The Nebraska weather has been as unpredictable as ever this year, and I hope it starts to even out as we move through the month of April. We can only hope that we can get in as many school days as possible throughout this month. Along with the school days, we also hope we can get some cooperative weather for our spring activities!

As we move into this month, we remember how crazy busy this time of year is, and it goes faster than ever! Students are busy with state assessments and testing, field trips, conventions, track meets, and golf meets, as well as a spring concert. It’s never a dull moment. While it is busy, it’s also a lot of fun to watch our students show their potential and interests inside and outside of their classrooms. We are so proud of what they have accomplished so far and what they will still do as we begin to see the end of this school year.

As we edge toward the middle of the 4th quarter, it is a good time to ask yourself, how do we want to remember this school year, and how do we accomplish it? What can you do to help your child(ren) finish the school year strong and in a positive way? While the business of the month can add some stress and anxiety to our lives, we can work together to keep Bruning-Davenport an outstanding school district that produces outstanding students and leaders. **Ruth Kowalski, Bruning Building Principal**

FROM THE PRINCIPAL: It’s hard to believe that we are already in the fourth quarter of the school year. The school year has certainly flown by.

The Elementary and JH Quiz Bowl Teams continue to work hard and do well in their competitions

JH Track has been practicing hard at preparing for the first meet on April 8th. Their season is short but it will go fast.

Some of the JH students had the opportunity to attend the ESU 5 Robotics Competition in Beatrice. They had a good time and enjoyed the experience. They even brought home some hardware with a 2nd and a 4th place finish.

The 4th Grade Reading Rally team also had an opportunity to compete at the ESU 5 Reading Rally.

The Junior High attended the Thayer County Health Fair along with students from Thayer Central, Deshler, and Deshler Lutheran. There was a keynote speaker and five breakout sessions for the students to attend.

Parents, please take some time to review the Dress Code found on pages 28-29 of the Student Handbook on the school website! Then, please make sure your students are properly attired for school when they leave the house. Just because it’s the current fashion trend, doesn’t mean that it’s right for the learning environment.

As always, please make sure your students are ready for the current weather conditions! We are at that time of year where there will be outdoor activities going on no matter the weather conditions, we want to make sure that your student can be as warm or as cool as they need to be. Thank you! **JJ Wagner, Davenport Building Principal**

2025 CRC JH Quiz Bowl: On March 3, 2023, the junior high quiz bowl team, comprised of the following students: Captain Carter V., Chase O., Morgan B., Brayden P., Kyle K., Paisley F., Brooklyn P., and Briar M. traveled to Meridian to participate in the CRC Junior High Academic Quiz Bowl tournament. The team competed against other 6-person teams from the CRC in the tournament. They were tested on their knowledge of social studies, language arts, math, science, fine arts, and current events. Teams were pitted against one another in a double elimination tournament format, with Bruning-Davenport heading into the finals with one loss against Hampton earlier in the day. Both teams put up their best effort in the final match with Bruning-Davenport winning the first match, unfortunately we lost in the final match 35-40 in what can only be described as an awesome match between two very closely matched teams. This has to be one of the best matches I’ve seen in recent memory. Thank you so much to the kids for their hard work.

MS Robotics Competition: Middle School students in grades 6-8 had the opportunity to participate in a robotics competition on March 12, 2025, at the ESU in Beatrice. Sixth graders comprised one team and coded and practiced the challenges during their computer class time. The 7th & 8th graders did the same thing during PE once or twice a week during the months of January-March. The challenges during the competition were: the hay stacker (where they built a robotic arm and coded it to open and close around square blocks and stack them on a certain area on the mat), Tick Tock challenge (where they had to code servo motors to make clock hands show certain times) and the ever popular battlebots (sumo wrestling style). Our 6th grade team placed second & the 7th-8th grade team placed 4th! Congratulations to all of our participants, Rylan Trapp, Rustin Ozenbaugh, Mikey Pena-Lopez, Carter Voss, Mylah Schoenholz, Carter Alonzo, Claire Lahners, Kaleb Follmer, Paisley Follmer, (Shelby Miller, student observer), with help from Eli Galaway & Bradley Jacobitz.

What's Happening @ Your Library

Reading Rally: Students from 4th grade participated in the Reading Rally on Mar 10, 2025, held in Beatrice at the ESU. The Reading Rally students shared the assigned reading list among their teammates, making sure at least one person had read each title in their group. They practiced during their recess time twice a week. Then they traveled to Beatrice to compete against other schools in a “quiz bowl” type of event over those 30 assigned books. The students did a fabulous job working together to get many of the questions right! Congratulations to Dawson Miller, Grayson Messman, Kinsley Galaway, Korah Schoenholz, Kaelyn Schoenholz & Coralei Anderson!

Scholastic Book Fair: The Bruning building will be hosting our spring book fair this year during the week of April 7-11. It will be open during the evening of the spring concert as well as during the afternoons. As always, thank you for patronizing our fair & getting that summer reading list ready (and preventing that dreaded "summer slide" that happens during summer vacation)! **See the book fair flyer in this newsletter!**

FOODS: It is all about the white sauce! The life skills class learned “cooking basics” and one of the basics is-how to make a white sauce and what to use it for!

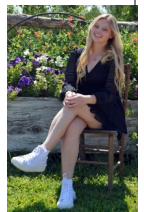

Sausage biscuits and gravy, chicken fried steak with gravy, chicken pot pie, fettuccine alfredo, spinach lasagna with shrimp, pizza, and last,-but not least queso! Oh yea, and they can all do dishes!

What’s next? Their cake bake-off and then a unit on clothing construction.

Jase Schlichtman Attends the American Mothers Inc. Awards On March 14, 2025, 5th grade Bruning-Davenport student, Jase Schlichtman, attended the American Mothers Incorporated luncheon at the state capital in Lincoln as part of a group of 10 students from around the state who were finalists in the annual “What My Mother Means to Me” essay contest. Students were asked to handwrite a 150-word essay on this topic. This year, Jase was chosen to read his essay at the Capitol for the members of American Mothers Incorporated and Governor Jim Pillen. Each essay was judged on its merit based on the following criteria: content was about the writer’s mother, organization, grammar and punctuation, and creativity. For his effort, Jase received a plaque.

FFA Update: March has been an exciting month for the FFA Chapter despite the bad weather! The plant science class made a trip to Central City to pick up plants from Wild Roots Greenhouse, so be on the lookout for our plant sales! The Junior High Quiz Bowl meet was a fantastic success as ten area schools attended the fierce competition in Bruning. It was an excellent opportunity for our younger members to demonstrate their critical thinking skills, teamwork, and passion for agriculture and FFA. The 7th grade team of Carter Voss, Cagney Mussman, Morgan Bolte, and Paisley Follmer placed 3rd. One of the most anticipated events of the month was Drive Your Tractor to School Day. While it was rescheduled, eight tractors and two trailers were able to make it to the school parking lot. Our chapter was also lucky enough to have a golf cart this year! A big thank you to everyone who participated and made this event a success. As the weather struck once again later on in the week, barnyard day was rescheduled numerous times. All of the kid’s and faculty highly enjoyed the puppy, cows, horses, chickens, pigs, and ducks! Thank you to everyone who provided the animals and helped! Our chapter is looking forward to the State Convention in Lincoln next week! This year we have students competing in several areas including Ag Demo, Food Science, Ag Sales, JH Quiz Bowl, and Agriscience. Additionally, 10 seniors will walk across the stage and be awarded their Nebraska State FFA Degree. As always, we are incredibly proud of the hard work, enthusiasm, and dedication our members show. It’s shaping up to be an exciting year, and we can’t wait to see what April brings! Don’t forget to mark your calendar for April 25th for the annual FFA banquet held in Bruning. **Addison Brase, BD FFA Reporter**
