August Unified Board Meeting

Approved substitute teacher list 25-26.
Approved extra duty list for 25-26.
Discussed bus driver shortage and possibilities to improve recruitment.

Transportation Report

The storm last month knocked over a big tree in the backyard of the daycare, landing on and totaling two vehicles. We are working with insurance adjusters to get them replaced.
We are selling an old mini bus and old route bus.

Building and Grounds report.

The Bruning Davenport Board of Education Building and Grounds Committee met with Architect Cleve Reeves of BVH Architecture on Wednesday, August 20th, to continue work on the feasibility study. Discussion centered on possible options pertaining to school facilities. Mr. Reeves presented square footage projections on several different possibilities including:
A PK-12 single site facility.
A 7-12 facility.
Remodel and update on existing facilities.
The committee gave input on square footage projections with the directive to adjust and streamline. The expectation of the Committee is to have some options and numbers ready for the public later this fall.

The storm also did some roof and building damage.
Awaiting insurance feedback to proceed.

Data Central

Info

Finished installation of central air unit in the West side of the Bruning building.
Installation of a gauge on the boiler fuel tank in Bruning is proceeding. This is a Fire Marshall Inspection mandate.
Ordered mini split HVAC units for the Davenport building. They will be placed in the lunch room, kitchen, faculty room and 1st grade room.
The Junior High Science room project has been tabled until Christmas break.

Goal:

To be the best small school in the State

Goal:

To be the best small school in the state

FROM THE PRINCIPAL: Earlier this week, I had the chance to sit down and look at our yearbook from last year, the 2024-25 school year. The theme is “It’s The _____ For Me.” If you haven’t seen it, the students did a great job capturing the events of year! As I looked through the book, I just kept thinking the theme was very fitting, and one word kept popping into my head...place. Bruning-Davenport is the place for me. I am now going on my 12th year here in this district, and I still feel this is the place I belong.

This new school year, my goal for our school district is to grow not only in academics and accomplishments, but in relationships with one another. How can we help others feel that this is the place for them? Let’s invest in a culture that lifts each other up! Brene Brown, author of *Atlas of the Heart* says, “*True belonging doesn’t require us to change who we are; it requires us to BE who we are.*” *We all may come from different places, different families, etc., but we are one school. It is here that we can learn from one another and create a place that we all belong.*

Bruning-Davenport is an exceptional school. We all know this is true. Now it’s time to put our unique stamp on it for the 2025-26 school year and make it the place for us all!

Ruth Kowalski
Bruning Principal

FROM THE PRINCIPAL: It is with great excitement that I begin my first year as Principal here in our district. I feel truly honored to serve our students, staff, and families, and I am eager to work together to make this school year a positive and successful one. The start of a new school year always brings energy and anticipation, and it has been wonderful to see our hallways and classrooms full of learning, laughter, and new routines.

Our school year is already off to a strong start, and students are getting back into the swing of things. Sports practices are underway, and games will be starting soon, which always brings a sense of school spirit and community pride. I encourage everyone to come out and support our student-athletes as they showcase not only their skills but also their dedication and teamwork.

As we move forward, I encourage families to take a few moments each day to talk with your child about what’s happening at school. Open communication between home and school is key to ensuring student success, and those conversations can help students feel supported and connected. With new policies and practices in place, I am confident we are building a strong foundation for a smooth school year, even when challenges arise. Together, let’s embrace the opportunities ahead and make this a fantastic year for everyone.

Davenport Principal

Counselor’s Corner: Welcome Back to the Best Small School in the State!

In K-5th Grade Guidance, we will be working on the Child Protection Unit. A letter was sent out explaining the curriculum of what your student will be learning. Please contact Marci Reinsch at the school if you have any questions. Home Links, after lessons are completed, will be sent home as well!

6th and 7th graders will continue with the Second Step Units beginning with Bullying Prevention and since September is Suicide Prevention month, and including 8th grade, we will be focusing Guidance lessons on Suicide Prevention with key messages and weekly themes. They will learn ways to raise awareness, be provided resources, and will learn evidence-based suicide prevention strategies, including listening to messages of hope and healing.

The Freshman seem to be enjoying high school so far! Sophomores will be taking the Accuplacer soon in September! We have a few Freshman beginning their college journey taking SENCAP courses! The Seniors have been receiving many emails from me about college applications, FAFSA, enrolling in college, money, and so much more. They will be busy!!

Thanks for all you do,

Marci Reinsch
K-12 School Counselor

What's Happening @ Your Libraries: Our school library site got an upgrade this summer & it is now much more exciting to look at! And it has many links to our online resources & the card catalog that parents can access from home!

How to Find Our Library Website

--> Go to our school website's home page and find the student menu. Click on Student and then Library.
 --> Click on Log In at the top right corner, then choose to use Google. Enter your student's credentials in the blanks (If you don't have this information because your student is younger than grade 5, contact Mrs. Dolnicek by phoning the school or emailing her to obtain this information). Your middle or high school student should know their credentials and can enter them for you.
 --> Now you should be able to see all items checked out in your student's name. Hopefully this will help everyone keep track of their books & help find lost ones!

How to find links to resources

--> Go to our school website's home page and find the student menu. Click on Student and then Library.
 --> From here, scroll down the page and see what else we have to offer. Coming soon will be e-books and audiobooks from the Sora app!

Digital Citizenship Tip

None of us want our young people to be victims of cyberbullying, identity theft, and the like. Internet safety is something that we cover here at school. An informative article on how parents can model Internet safety for their family can be found at <https://www.cyberwise.org/post/internet-safety-for-kids>. Thanks for all you do to help keep your students safe online!

The Bruning-Davenport FFA Chapter has had a productive and eventful summer, with activities spanning from June through August. We kicked off June by participating in Ohio Days, where eight of our members volunteered their time to prepare and serve hot dogs and hamburgers to community members. Our newly elected officer team also attended the MAPS Officer Training held at the Leadership Center in Aurora, where they gained valuable leadership and team-building skills. In July, eight additional members supported our community during Achievement Days by setting up in the park to serve meals. The menu included grilled hot dogs and hamburgers, chips, cookies, and drinks. A special congratulations goes to Riggins Ozenbaugh, who exhibited swine at the Fillmore County Fair and earned the title of Reserve Champion Market Gilt. August began with a welcome-back meeting and a joint pool party with the Shickley FFA Chapter, offering a fun opportunity for members to reconnect and build companionship. Shortly afterward, we participated in the Thayer County Fair, where our chapter decorated and rode on a float during the parade alongside local 4-H participants. We also helped operate the Farm Bureau booth, continuing our tradition of community involvement. To cap off the summer, Toby Voss and his younger brother Carter Voss proudly showed cattle in both the FFA and 4-H livestock shows. We are proud of our members' dedication and service throughout the summer and look forward to an exciting and successful school year ahead! **BD FFA Reporter Emma Hoins**

The B-D PTO Back to School Pool Party was a success! Everyone had a blast and it was a great way for our wonderful B-D families to get together to welcome the new year. Thank you to everyone who attended, we can't wait for our next event. If you'd like to join the PTO, please reach out to your child's teacher or the school office for more information.

More pool party fun!!!!
