### Goal:

To be the best small school in the State

As needed

**FROM THE PRINCIPAL:** April showers bring May flowers! We pray that this is the case...showers - rain, not snow! We can only hope that we can get in as many school days as possible throughout this month. Along with the school days, we also hope we can get some cooperative weather for our spring activities!

As we move into this month, we remember how crazy busy this time of year is, and it goes faster than ever! Students are busy with state assessments and testing, field trips, conventions, track meets, and golf meets, as well as spring concerts and PTO movie night. It's never a dull moment. While it is busy, it's also a lot of fun to watch our students show their potential and interests inside and outside of their classrooms. We are so proud of what they have accomplished so far and what they will still do as we begin to see the end of this school year.

As we edge toward the middle of the 4th quarter, it is a good time to ask yourself, how do we want to remember this school year, and how do we accomplish it? What can you do to help your child(ren) finish the school year strong and in a positive way? While the business of the month can add some stress and anxiety to our lives, we can work together to keep Bruning-Davenport an outstanding school district that produces outstanding students and leaders. *Mrs. Ruth Kowalski, PreK-1st & High School Principal* 

**FROM THE PRINCIPAL:** It's hard to believe that we are already in the fourth quarter of the school year. The school year has certainly flown by.

For most of the month of March, we battled a lot of illnesses in the Davenport building. It always amazes me how quickly some of those "bugs" can hit and effect everyone! It's always a good idea to talk about good hygiene with your children. It's one way we can try to keep everyone healthy. Hopefully, we can all stay healthy the rest of the year.

The Elementary and JH Quiz Bowl Teams continue to work hard and do well in their competitions

JH Track has been practicing hard at preparing for the first meet on April 2<sup>nd</sup>. Their season is short but it will go fast.

The 8<sup>th</sup> Graders had the opportunity to visit the Southeast Community College campus in Lincoln. They got to learn about some of the different career paths that are offered at their schools as well as some of the of the programs that SCC does in conjunction with certain companies, that can lead to employment opportunities immediately upon graduation. It's never too early to start thinking about your future. Before we know it, they will be seniors.

Some of the students had the opportunity to attend the ESU 5 Robotics Competition in Beatrice. They had a good time and enjoyed the experience.

The Junior High attended the Thayer County Health Fair along with students from Thayer Central, Deshler, and Deshler Lutheran. There was a keynote speaker and five breakout sessions for the students to attend.

The end of March brings the Reading Rally for some of the Elementary students and all the Junior High students will be participating in the Eastern Nebraska Speech Competition. *Mr. J.J. Wagner, 2nd-8th Grade Principal* 

**NATIONAL AG WEEK:** Duane Miller came and read to the 2nd-4th graders at the Davenport building and at the PreK-1st graders at the Bruning building for National Ag Week. Thank you Duane!

Rachel Adams from the Thayer County Extension office came and taught the 3rd graders about agriculture and crops grown in Nebraska. Students planted 4 different kinds of seeds in a glove to observe how each kind of seed germinates with water and heat. They planted wheat, corn, soybeans, and pinto beans.

Bruning-Davenport is looking at starting a Teammates program. If you would be interested in serving on the Board of Directors, please contact Mr. Wagner, jwagner@bdstorm.org or Ms. Reinsch,mreinsch@bdstorm.org.

**FFA Update:** At the end of February, members competed in CDEs (Career Development Events). The following teams qualified for state and will be competing at the state competition in April. In, Kinzley, Campbell, and Lexi, Agriscience: Letrell, Cynthia, Kennedy, and Grady, don, and Eli. This month, Junior members attended leaders in agriculture day hosted by Farmers Cooperative. They had the opportunity to listen to Dr. Tom Field with the UNL Engler Entrepreneurship program and went through breakout sessions that highlighted leadership, serve, careers and more. Governor Jim Pillen was the guest speaker for the day. Junior High FFA members traveled to Tri County for the district quiz bowl meet. This serves as practice for the state convention. 8th graders Eva Oltmans, Blake Miller, Collin Shoenholz, and Colt Crockett will represent the chapter at the state quiz bowl meet at the Nebraska FFA state convention. FFA banquet is coming up April 26th. Tickets are available in both school offices, Bruning Bank, and Cornerstone Bank in Davenport. **Peyton Domeier BD FFA** 

What's Happening @ Your Libraries: Our students in Davenport are hard at work practicing their reading skills and filling up our Build It! mosaic in the hall. As you can see, we've added a couple of new colors this month! It's becoming clearer what the picture will be, but no students have guessed it yet. Today's readers are tomorrow's leaders...so keep reading, everyone!

**ROBOTICS:** Claire L., Mikey P.-L., Adain S., Rylan T., Carter V., Morgan B., Paisley F., and Briar M. accompanied Mrs. Dolnicek to Beatrice to compete in ESU 5's annual robotics competition on March 13. In preparation for the contest, students were to

keep an electronic notebook of the different activities they did toward being successful in the competition. They were encouraged to work together to code their robot to navigate a maze based upon its sensing an object in front of it using its ultrasonic sensor and then "looking" with its line follower for whether the surface below was reflecting light. Reflecting light indicated turning one direction; no reflection indicated turning the other. They also had to figure out what speed and amount of time would cause their robot to turn at a right angle. (This activity was the hardest on competition day!) Once the teams accomplished this, they used a 3-D printer to make attachments to their robot to best survive four rounds of battle bots (which is the highlight of the competition!). The other part of the competition happened "on the fly" as competitors were tested in their knowledge of code to make lights blink and a song play on a circuit board coding playground. All of these students are to be commended for their sacrificing other fun activities in order to prepare for competition during the months of January-March and for successfully completing the day's challenges!

#### "Pi day" was a huge success!!!

On March 18<sup>th</sup> (our "fake" pi day since it we couldn't celebrate on March 14<sup>th</sup>), the Bruning-Davenport middle school students participated in activities that involved the most amazing, mathematical number there is, 3.14159...!!!!

The fun began with the *pi-rates* listening to a book titled, <u>Sir Cumference and the Dragon of Pi</u>.

Next, they competed in "Pin the Radius on the Circle" Then, the students broke off into groups and worked in stations (making pie graphs, frequency distribution charts, exploring circumference/diameter to find pi, and face painting)

In the afternoon, the students played "Ring Fling", broke  $\pi$ -shaped piñatas, and had a competition to see who could recite the most digits of pi. The day ended with the best activity of all; throwing a pie at Mr. Ault. **What a good sport!** 

Counselor's Corner March came in like a lamb and the students have been busy! K-6<sup>th</sup> grade finished up lessons on self-love and we have begun to work on self-appreciation along with self-esteem. We have been working on a new Social and Emotional Learning curriculum in all grades K-8<sup>th</sup> and it has been exciting learning more about having a Positive Growth Mindset, learning more about our emotions, and using the word "yet" when we are faced with a challenge. Hopefully, March does not leave us like a lion, but the students at Bruning-Davenport show they can handle things through positive thinking and self-appreciation. Thank you for supporting our students and teachers!

**ACTIONS DAY AT CCC HASTINGS:** 9-12 grade students went to CCC in Hastings for Actions Day and several received awards!

**SCC TOUR:** The 8<sup>th</sup> graders went on a college tour to SCC in Lincoln and did a wonderful job being respectful! They learned about many career opportunities, college life, and all the activities students can be involved with in college.

**YOUTH HEALTH FAIR:** The health fair was on March 19<sup>th</sup> for the 5<sup>th</sup>-8<sup>th</sup> graders. They participated in breakout sessions on alcohol awareness, heat illness prevention, yoga, helmet safety, and disease prevention, 23.
