BOLTS: "Building Outstanding Leaders for Tomorrow's Society"

FROM THE SUPERINTENDENT: I want to welcome all the students and parents to Bruning-Davenport Unified School District. Where we are Building Outstanding Leaders for Tomorrow's Society. A special welcome to all of our new teachers, students, and families to the district.

The last 18 months have been an unprecedented time in our history. Our staff, students, families, and communities did a great job last year dealing with all of the safety protocols regarding the Covid 19 pandemic. We couldn't have stayed in school all year without your help. As things have improved we anticipate starting the school year in a more traditional setting. However, we need to continue to practice good safety habits so we can have another successful year.

A big thank you to all the staff members who have worked at each building in the district to get the school ready to go for the 2021-22 school year. Your work is appreciated.

The football team will have their soap scrimmage in Bruning on August 20. Our first varsity volleyball game will be a Jamboree game @ Milford starting at 5:30 on August 19. Our first football game is against Diller-Odell in Diller @ 7:00 on August 27.. The first regular volleyball game is a Quad with Tri County, Wilber-Clatonia and Palmyra in Palmyra on August 26, starting @ 6:00.

We hope to see you supporting our student athletes in a positive manner. All students deserve to be recognized for their efforts, whether it is in the classroom, as an athlete, or as a performer. Let us show our students that we recognize the hard work and dedication it takes on their part to be involved in activities and, at the same time, meet the demands our teaching staff has of them. Please help create a positive experience for our students as they endeavor to give their best effort.. *Mr. Kolin Haecker, Superintendent*

**WELCOME BACK
TO SCHOOL**

FIRST DAY OF SCHOOL:

AUGUST 19TH

1:00pm DISMISSAL

LUNCH WILL BE SERVED!

FROM THE PRINCIPAL: Welcome to the 2021/22 school year! I hope each and every one of you had an excellent summer vacation filled with countless memories. I look forward to hearing many stories from the students these first few weeks of school. Our staff is excited to begin this year of learning and growth for your child. While the students were gone, the Bruning-Davenport staff have been busy getting the building and classrooms ready for the start of the year. In addition, staff has attended several workshops and trainings to further their professional growth and meet the needs of our students with expertise.

For your child to be as successful as possible, we need your help as well. We need you to ensure that your child is at school and on time every day possible and to hold them accountable for their efforts while at school. Results are important in life, whether it be their grades in school or achieving short-term and long-term goals, the effort is what is most important. Emphasize to your child the importance of doing their best in everything they attempt in life. Praise their effort when you know they have done their best. We are all born into our own unique circumstances in life that are out of our control, some are better than others, but one thing we have total control of is the *effort* we put forth. If we give maximum effort, that alone is a measure of success; the results will take care of themselves. My promise to you is that we will give our best effort for your child.

We are excited to welcome you as partners in your child's education and hope you will be a familiar face at Bruning-Davenport this year. We value your presence during all school events and hope to provide a variety of opportunities to help you connect with you, your child, and your family. I look forward to another great year at Bruning-Davenport! *Mr. Damen Kugel, Principal*

Counselor's Corner...As we begin a new school year and your child continues to see our Clinical Mental Health Counselor once a week, new parent consent forms will need to be signed. Each school office location will have referral and/or permission forms. During Open House, the elementary teachers will have the forms for parents. If you are interested in your child seeing our Clinical Mental Health Counselor, please let your child's teacher or Miss Hoffman know.

Elementary Guidance Lessons: I'll still be doing Elementary Guidance Lessons in the K-4 grade classrooms this year. I will be communicating more this year by sending home letters or home links to review with your child about what we focused on and learned in guidance throughout the year.

9th & 10th Grade Students: Now is the time to start thinking about what career field or career cluster interests you. Some things to consider are taking **Career Interest Inventories, Skills Inventories, and Personality Inventories**. Miss Hoffman has a list of reliable inventories for you. Please arrange a time to meet with me. NebraskaCareerClusters.com offers different **Nebraska Career Tours** short video clips over each career pathway for students to explore and learn from professionals. These videos highlight Nebraska-based companies specifically.

EducationQuest.org has a resource called **Reality Check**. This will ask you a series of questions according to education, career, lifestyle, necessities, luxury items, etc. to see if you can survive according to your future salary. This is awesome for kids to explore as they are considering different careers.

Starting your Freshman year, you want to start creating your **High School Activities Resumes**. EducationQuest.org and Nebraska Career Connections have great templates, along with Microsoft Word/Google Doc. **These are very useful when applying for scholarships.** Instead of writing everything out, you can print "see attached resume." The sooner you create a resume, the less you will have to remember your senior year. If you need any help or want to look at examples, Miss Hoffman is available and has previous year resumes.

On our school website will be different **college events, academic/career camp days, and college virtual tour information**. Please check under the Counselor tab. EducationQuest.org has different **College Profiles and NE Colleges Virtual Tours**, also.

Freshmen and Sophomores will be utilizing **On To College: John Baylor** to get them in the mindset of test prep. Each student has a free account and already has their username and password. **Freshmen** will be using the Grade 8/9 Test Prep, PreACT Prep, and Study Skills & Test Taking Strategies. **Sophomores** will be using PreACT, PSAT Quick Power Prep, and Study Skills & Test Taking Strategies.

11th Grade Students: As you are discovering potential career options, now would be a time to start **job shadowing** in that interest area. If you would like help setting up a job shadow, please arrange a time with Miss Hoffman. As soon as the job shadow is scheduled, the office needs to know when you are going to be absent, where you are going to be, and the times. Miss Hoffman will have a questionnaire paper for you to complete about your experience.

If you are still exploring career options, this might be a good resource for you to look into. **NebraskaCareerClusters.com** offers different **Nebraska Career Tours** short video clips over each career pathway for students to explore and learn from professionals. These videos highlight **Nebraska-based companies** specifically.

Juniors will want to start looking into different colleges/universities and what they have to offer. EducationQuest.org has many resources to assist in this area. **Some resources include Campus Visit Tips, NE Colleges Virtual Tours, College Profiles, Junior/Senior Timeline**. Our school website will have different college events listed and college virtual tour information, as well. Please check under the Counselor tab.

If you haven't already, you want to start creating your **High School Activities Resumes**. EducationQuest.org and Nebraska Career Connections have great templates, along with Microsoft Word/Google Docs. **These are very useful when applying for scholarships.** Instead of writing everything out, you can print "see attached resume." The sooner you create a resume, the less you will have to remember your senior year. If you need any help or want to look at examples, Miss Hoffman is available and has previous year resumes.

Juniors are going to be taking the **Nebraska State ACT** in the spring. There are various other **National Test Dates** that are located in the student handbook, online school calendar, and each student will get an individual flyer. We will be utilizing **On To College: John Baylor** again this year. Each student has an individual account that is free for them to use. Students already have their usernames and passwords. Juniors will be using ACT Prep, ACT Refresher Prep, PSAT Quick Power Prep, and Study Skills & Test Taking Strategies. As we don't want to teach to the test, but higher the score equals out to be more in scholarship money. As more resources are provided for ACT Test Prep, I will share them with you. There might be a fee waiver available, you will want to talk to Miss Hoffman about your options.

12th Grade: Senior Parents, I will be sending you an email at the beginning of August for more information. **SCHOLARSHIPS!** Senior Year, this is your year! Start early! There will be a list of scholarships available on the school website, under the counselor tab. You will want to look for scholarships on your own too. The more scholarships, the less money out of your pocket. Every senior will want to sign up for ScholarshipQuest. All of the scholarships available in Nebraska get posted here. This is another resource. With scholarships, you will need **Letters of Recommendation**. This is something that you should be asking more than two weeks before the scholarship is due, and not asked the week of the scholarship is due. Please consider planning and get them in advance.

If you haven't already, you want to start creating your **High School Activities Resumes**. The sooner you create a resume, the less you will have to remember your senior year. If you need any help or want to look at examples, Miss Hoffman is available and has previous year resumes.

EducationQuest.org will have many different resources for students and parents. Some useful resources include sign up for **Countdown2College, Junior/Senior Timeline, College Profiles, FAFSA Tools/Checklists, ScholarshipQuest, NE College Virtual Tours, Campus Visit Tips, Apply2College**, and much more. More about these resources will be sent home later.

APPLY2COLLEGE Day will be announced later, where every senior will apply to a college at school, with assistance if they have any questions.
