Goal:

To be the best small school in the State

FROM THE PRINCIPAL: As we end the year of 2023, I reflect back on this last year. There have been a lot of ups and downs throughout the last twelve months, and it amazes me how we have come through it all. I recently attended the funeral of a dear woman who I had deemed “my second mom.” I was best friends with her daughter growing up, and I practically lived at their house. Let me tell you, she was not afraid to include me in her lectures when we all got in trouble (not that I was ever a troublemaker!). Anyway, I sat there at her funeral and listened to the pastor talk about how she was like no one he had ever met before. She was that unique – brutally honest but one of the most generous people I’ve ever met, even when she herself didn’t have much to give. This woman had gone through a lot of hard times, probably more than I even know about, but she was always kind. While she was honest with you even when you didn’t want to hear it, she was honest because she cared. I admired her greatly, and strive to be like her, even in all of the hard times.

The Bruning-Davenport family has definitely felt our difficulties and tragedies throughout this year, but we can strive to be honest and kind. Be kind. It’s simple. This is something we try to teach our students - be kind. It doesn’t cost anything to lend a helping hand or give a compliment. While I know it sounds cliché, those small acts of kindness go a long way, especially as we go through this holiday season. You never know what another person might be going through, so be kind. We want all of our kids to be successful academic students, but more importantly, we want them to be decent human beings and outstanding leaders. We are blessed to be part of such a wonderful community and school district. Let’s continue to be wonderful and work together to make 2024 the best year yet. Merry Christmas and Happy New Year! **Ruth Kowalski, PreK-1st & High School Principal**

FROM THE PRINCIPAL: Welcome to the crazy, busy holiday season! Junior High sports are back in action with both the girls and boys playing basketball. The season will fly by so be sure to remind your students to keep their grades up so they can participate in all the contests.

The JH Band sounded amazing playing the National Anthem at the Veteran’s Day program and all the 8th graders did great with their parts of the program as well.

The music program will be coming up on December 18th. We’re trying something a little different this year by having both programs on the same night. Elementary will hit the stage at 6 followed by a short intermission and then JH/HS will perform beginning at 7.

The elementary has been busy with different activities. They really enjoyed trick or treating around the Davenport building and getting to visit a lot of businesses around town. Thanks to all that allowed them to come visit! They also got to attend a Tree Conference in Hastings where they got to do a lot of activities. It sounds like dissecting owl pellets was a real HOOT!

Just a reminder, as the weather continues to turn to the cooler side, please make sure your students are coming to school with the proper attire to not only be comfortable in the school but outside for recess as well. **JJ Wagner, M2-8 Principal**

FFA Update: This month our FFA chapter sent six members to the National FFA Convention in Indiana (Karolyn O., Alexa H., Gatlin H., Tobby V., Isaiah E., Landon G.). They took a bus with other schools and made many stops along the way for fun tours. Some of these tours included Shatto Dairy, Battlefield Lavender Farm, Stonie’s Sausage Shop, American Tractor Museum, Missouri National Veterans Memorial, Tuttle Orchard, Abbott’s Candy, and One Happy Donkey Farm. They also attended the rodeo at the National Convention. On Thursday, members attended opening session and the FFA expo. The members on this trip learned a lot about the FFA organization, enjoyed networking with others in the agricultural industry, and look forward to learning more about what the agricultural industry has in store for the future. With that being said, there were no competitions this month, but our chapter is preparing for LDE’s (Leadership Development Events) coming up in December, one of our biggest contests all year. **Peyton Domeier BD FFA Reporter**

The PreK-1st graders got to put on their Halloween costumes and do a parade for the high schoolers!

The 2nd, 3rd, and 4th graders got to Trick or Treat around the school and around Davenport. Thanks to all the businesses that participated!

HIGH SCHOOL: The Juniors and a few Seniors attended the Thayer County career fair! They got to listen to a speaker and meet several college and career representatives!

BDS FOOTBALL: BDS boys on the D2 District 1 All-District Team. **First Team Offense:** Tanner Bolte and Seth Stengel **First Team Defense:** Jaron Norder and Eli Weber **Second Team Offense:** Carson Loos and Kesston Dickson

LIBRARY: Season's readings! As you can see by the pictures, our Davenport students are working hard to complete our sticker mosaic together by reading books. They earn one sticker for every book they read & 2 stickers if they read from the category of the month. November's category was biography or autobiography. December brings a new category. Keep up the good work! Have a wonderful holiday season, everyone!

PREK: The preschoolers had a visit from Dr. Leann Heinrichs to talk about going to the doctor and how to stay healthy! We pretended to help a "patient" and be the doctors and nurses! Thank you Dr. Heinrichs!

SUPERIOR ELKS LODGE: The Superior Elks lodge donated dictionaries to each of the third graders. The students were excited to take their dictionaries home and thanks the Elks for their donation!

MEET A SENIOR

JAZMYNE MCCALL is the daughter of Crystal McCall. She has two sisters, Jayda and Jaliyah and a brother Natalio. Jazmyne is involved in Track, FCCLA, and Yearbook.
