BOLTS: "Building Outstanding Leaders for Tomorrow's Society"

FROM THE SUPERINTENDENT: Hard to believe we are winding down the basketball season and ready to start the spring sports. Where does the time go? The days seem to go slow but the weeks and months go fast. The students will be starting the 4th quarter of the school year and graduation will be here soon. The students are working hard in the classroom and at the activities they are involved in. State speech is March 17 in Kearney at the high school for this year. FFA and FCCLA state conventions for the first time in two years will be in person. Those conferences take place in April. We also will begin the state testing for grades 3-8 and 11. Please make sure your child is getting plenty of rest and staying on top of their school work. I look forward to working with our students and teachers as we finish the 2022-23 school year.

Child Find: Bruning-Davenport USD will hold a Child Find meeting on March 13, 2023, at 6:30 PM in the Bruning library, in an effort to obtain the earliest possible identification of young children and their families who may benefit from early intervention or education services. Child Find is a component of [Individuals with Disabilities Education Act \(IDEA\)](#) that requires states to identify, locate, and evaluate all children with disabilities, aged birth to 21, who are in need of early intervention or special education services. If you have concerns regarding your child's development, please come to the meeting where we can provide you with contact information for support in speech therapy, occupational therapy, and physical therapy.

Bruning-Davenport USD has much to offer students. The District offers a strong academic program that includes access to dual-credit courses from the University of Nebraska Now program, Southeast Community College, and Peru State College. This has been utilized by a number of students to earn college credits at vastly reduced tuition fees and the possibility to enter college as a second semester freshman. In addition we are a member of a career academy, in partnership with Southeast Community College, offering students dual credit courses in areas of education, health services, technology, and agriculture. We are in the process of updating our shop area at the Bruning building to offer SENCAP welding for college credit starting in the fall of 2023.

Bruning-Davenport USD has an experienced staff and offers a wide selection of courses to meet Rule 10 requirements. As for extra-curriculars we offer a strong fine arts program, FCCLA and FFA programs, and quality athletic programs. Each of these programs has a history of excellence and devotion to enhancing a student's experience at Bruning-Davenport USD.

Bruning-Davenport USD is a great district that has an excellent staff and offers much to students. We invite you to review our website at <http://www.bruningdavenport.org>, our Facebook page, and the State of the Schools website at <http://nep.education.ne.gov/>. Our 2021-22 Annual report is also on the website for your review. We hope you consider the district when making educational decisions for your child. **Mr. Kolin Haecker, Superintendent**

FROM THE PRINCIPAL: In January, the Bruning-Davenport Steering Committee, composed of district teachers and administrators, set up an online Google Survey to gauge our district's climate and culture. Participants were asked about our district's strengths, how information is relayed, and also what could be done differently. Our continuous goal is to help improve our engagement and community outreach. The survey was distributed using our district's BrightArrow communication system. The survey was distributed via text, and email to families, as well as posted on the school website, and our BD USD Facebook page.

In total, there were 61 parent surveys completed, 35 staff surveys completed, and 93 student surveys completed. More than 95% of the respondents rated our district positively in terms of communication within the community, noting that BD USD excels at providing information in a timely manner through multiple channels; including automated calls and emails. The areas for improvement focused on the need for even more information and updates. As a district, we utilize Facebook, Twitter, Daily/Weekly Bulletins, our all-call system - BrightArrow, a monthly newsletter, our district master calendar, and our school website.

It is my personal belief that as a district, we have made tremendous strides in communication over the last several years. In recent years, Bruning-Davenport has adopted an all-call system called BrightArrow. The system communicates with Powerschool to send notifications to parents regarding school events, meetings, and cancellations. Additionally, our monthly newsletter is a way to communicate current events, showcase student achievements, and highlight our talented staff who are making a difference every day. Our Bruning-Davenport Facebook page is updated with the most up-to-date information. Our district website has dramatically increased traffic since its relaunch in 2020. The content, quality, and frequency of all of our platforms and social outlets have significantly improved.

In the survey, respondents noted they are most happy with the staff, teachers, and district and how we strive to put our students first. These surveys will continue to be analyzed by the Steering Committee Meeting, and the Bruning-Davenport board of education, and relayed to our stakeholders to provide feedback and clarity.

Thank you to all the survey participants who took the time to provide their feedback. In the year ahead, we look forward to continuing to improve and further advancing how we reach out to and support the Bruning-Davenport community. We encourage our community members to be in contact with us on how we can continue to grow and improve. **Mr. Damen Kugel, Principal**

JH FCCLA: Junior High FCCLA hosted a pancake breakfast for the music contest workers, judges, and paraeducators on February 17. This aligned with concluding FCCLA Week and Random Acts of Kindness Day. The students were proud of their cooking skills, and everyone enjoyed themselves. Thank you to those who participated and helped. :)

FCCLA hosted a Shelter Drive in the surrounding communities for local patrons to donate at various locations. Flyers were created by Junior High FCCLA Students. This drive was so important to students, as they competed at District 4 FCCLA at the beginning of February. This drive was a community effort, and FCCLA was very proud of how many items they collected. Students collected medicine, towels, Twin/Twin XL sheets, and various other hygiene items. There were over 75 items donated. These items will be donated to People's City Mission in Lincoln, in hopes that the students will be able to deliver them. Overall this was successful, and FCCLA appreciates everyone's support and donations. :)

FFA Update: Bruning Davenport FFA chapter has had a very busy month. On Wednesday January 18, the BD FFA traveled to York to take part in Leadership Development Events (LDEs). We had a very successful day as two members earned their trip to the state convention in Lincoln this March. Addi Crockett earned 3rd place in extemporaneous speaking and Easton Weber earned 3rd place in employment skills. We are proud of all of our teams and individuals that competed at district LDEs. On Wednesday February 1, the BD FFA seniors and Ms. Vyhnaek traveled to Tri County to participate in state degrees and proficiency degree interviews. Those seniors include Zach Hoins, Hallie Hoins, Easton Weber, Cameron Hoins, JessaLynn Hudson, Addi Crockett, and Derek Domeier. All will be receiving their state degrees on stage at the state convention in March. The FFA State Degree is the highest degree an FFA member can receive at the state level. Easton Weber and Jess Hudson both earned gold at the district level in their proficiency areas. A proficiency award honors FFA members who, through Supervised Agricultural Experiences (SAE) have developed specialized skills they can apply to their future careers. On February 15, the Welding CDE team traveled to York high school to participate in a welding competition. Results from welding: Gatlin placed 3rd in TIG, Lathen 6th GMAW, Wyatt 15th O/A, Isaiah 16th SMAW, Ethan 18th SMAW, Addi 25th GMAW. The team placed 8th out of 22 teams. February 20-25th was National FFA Week. BD FFA celebrated with dress up days, drive your tractor to school day, a petting zoo for the elementary, and a staff appreciation breakfast. Members are looking forward to attending district Career Development Events (CDEs) and State Convention in March.
