FROM THE SUPERINTENDENT: The end of the school year is almost here. It has been a busy year with a lot of in person training, conferences and field trips. I want to thank our students, staff, communities and our parents for their hard work and support this school year. I have appreciated being a part of the Bruning-Davenport School system the last four years because of the quality of people I get to work with on a daily basis. Thank you for your diligence and hard work providing opportunities for our students.

The staff at Bruning-Davenport USD wishes all our students a safe summer. Please continue to take care of yourself and check on your neighbors to make sure they are doing okay as well. To the 17 seniors, as they graduate May 13, @ 2:30 in Bruning, congratulations on all your successes. We wish you the best of luck going forward.

Teacher Appreciation Week: The week of May 1-5 is Teacher Appreciation Week. The School Board and administration at Bruning-Davenport USD extends our sincere thanks for our staff's efforts to provide the best educational opportunities to our students.

We have dedicated certified and classified staff members that have worked hard to provide the type of learning opportunities that will help your child develop the thinking skills and other life skills necessary to develop into a concerned, involved citizen. We continue to strive to meet the challenge of our mission statement, "Building Outstanding Leaders for Tomorrow's Society". Please take the time to thank our teachers and staff for the important work that they do with our youth.

The Department of Health and Human Services and Boys Town offers help to families through the Nebraska Family Helpline (1-800-866-8660). The Helpline offers professional counselors 24 hours a day, 7 days a week, 365 days a year. They offer help dealing with behavior problems of children, conflict resolution among family members, and youth mental health referrals.

FROM THE PRINCIPAL: As the school year comes to an end, we find ourselves at the crossroads of nostalgia and anticipation. It's a time when we reflect on fond memories and celebrate the hard work and achievements of the past year, while also looking forward to new adventures and opportunities that lie ahead.

Just like the famous poem "Where the Sidewalk Ends" by Shel Silverstein, which tells the story of a place where the ordinary ends and the extraordinary begins, the end of a school year marks the end of an era for many of us. We bid farewell to familiar hallways, classrooms, teachers, and friends, and prepare to embark on new journeys.

Moving on can be bittersweet. We cherish the memories we've made, the lessons we've learned, and the friendships we've formed during our time in school. From the first day of kindergarten to the last day of high school, we've grown and evolved through the ups and downs of academic challenges, extracurricular activities, and personal experiences.

But as one chapter ends, another begins. The end of a school year opens up a world of possibilities and opportunities. It's a time to dream big, set new goals, and pursue new adventures. Whether it's starting a new job, pursuing further education, or traveling to new destinations, the future holds endless potential.

Education is the foundation that prepares us for the journey ahead. It equips us with knowledge, skills, and values that shape our character and help us navigate through life's complexities. It empowers us to chase our dreams, overcome obstacles, and make a positive impact in the world.

Behind every success, there is hard work. The late-night study sessions, the hours spent on projects and assignments, and the perseverance to overcome challenges have all contributed to our achievements. The end of a school year is a time to recognize and celebrate our hard work, and to acknowledge the support of teachers, mentors, and loved ones who have guided us along the way.

As we bid farewell to the school year, let's cherish the memories and take the lessons learned with us on our new adventures. Let's embrace the unknown with excitement and curiosity, and be open to new opportunities that come our way. Let's hold onto the fond memories of our educational journey while stepping boldly into the future.

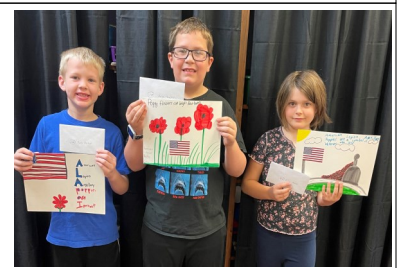

To all the students, teachers, and staff who have been part of this incredible journey, we express our heartfelt gratitude. The end of a school year marks the end of an era, but it's also the beginning of a new chapter full of possibilities. Let's step forward with confidence, resilience, and the determination to make our dreams a reality.

As we close this chapter and turn the page, we are reminded that the sidewalk may end, but our journey continues. Here's to new adventures, opportunities, and a bright future ahead! **Mr. Damen Kugel, Principal**

Duane Miller came and read a book to the 2nd, 3rd, and 4th graders, then donated the book to the library from Farm Bureau.

3rd graders competed in the American Legion Auxiliary poppy poster contest.
1st place Jaryn Houchin
2nd place Ellie Manes
3rd place Cord Miller

LIBRARY: What's Happening @ Your Library: Our 3rd-4th and 5th-6th grade students have been reading all school year in preparation for the Reading Rally at the ESU in Beatrice. Imagine having a quiz bowl over 30 books! That's what these participants did in their teams yesterday! The B-D Entrepreneurship class designed & made us t-shirts so we were dressed for success! Students decided that there were some pretty hard questions, but overall the day was a success. Congratulations to these students who gave up their recess time once a week for practices leading up to this event! Today's readers are tomorrow's leaders!

Our 5th graders did a lesson on what to do with spam email. They asked to be videoed so it could appear on social media! I invite you to check out our FB page to hear their tips if you haven't done this already!

Thank you to everyone who supported our libraries this year by patronizing our book fairs! These fairs allow us to continue to have more new books on the shelves for our patrons to brows and learn more about the world around them as well as support curricular areas. We couldn't do what we do without all of you!

CARNIVAL: The 2023 PK - 5th Grades Elementary Carnival was a great success! There were several new games added to our fun this year and there were so many smiling faces you couldn't help but to be glad you were there!

Thank you to ALL of the people behind the scenes who added to the success of the Carnival this year! Students from NHS and FCCLA were greatly appreciated as they helped run some of our games. Parents, I thank you so very much for being involved with the Carnival! Your vast assistance was fantastic! We also had Sidelines from Carleton, Bubbas from Strang, RW's from Davenport, Bruning Grocery from Bruning, and the local Casey's help with donations that were appreciated by all who attended this year!

Thank you to "EVERYONE" everywhere who helped out in any way to make our Carnival such a FUN success!

MIDDLE SCHOOL HEALTH FAIR: On March 29, Bruning - Davenport Junior High hosted the Thayer County Health Services Annual Youth Health Fair in Davenport. Students from Deshler, Thayer Central, and Bruning - Davenport in grades 5 - 8 listened to a main speaker, and went to different engaging breakout sessions. They were split into 5 different groups. The main speaker Dr. Lindsey Meyers gave a presentation about Vaping and the harmful effects that vapes cause on the human body. After the presentation she opened up for questions to follow.

There were 5 breakout sessions. 1. Lucy Kuhlman presented about Exercise as a Youth. 2. Megan Janousek presented about Hand Washing/Disease Prevention. 3. Laura Baxa presented about Concussion Prevention. 4. Kathy Retzlaff presented on Energy Drinks. 5. Nebraska State Patrol presented about dangers of Drinking and Driving, and brought the impaired goggles stimulations for students to engage in hands-on activities. All students had fun, and look forward to the health fair next year.

JH FCCLA: On Friday, March 24, Junior High FCCLA had their annual Junior - High Lock - In. They worked on teamwork and leadership skills. They were creative and put on a mini play based on what they were learning in social studies. They watched movies, played games, and relaxed with their friends. Thank you to the sponsors for helping out.

HIGH SCHOOL BAND: After a very long and fruitful spring concert season the students have earned great success. Students had a great spring concert where they performed alongside the middle school band and choir. Here we were able to recognize our 5 senior band (Paige Oltmans, Samantha Enghauser, Malory Dickson, JessaLynn Hudson, and Gavin Hintz) students after a great 7 years in the BD band program. The next morning the high school band went to our district music contest. Our Students did an amazing job performing! They earned a Superior Plus Rating (1+). (The only concert band to earn this at our contest site). What a fantastic way to end our spring concert season! We also had great solo and small ensemble entries. Congratulations to our soloists: Paige Oltmans (Superior-1), Maia Oltmans (Excellent-2), Braelynn Renz (Superior-1), and Braiden Durflinger (Excellent-2). Congratulations to our small ensemble: Alto Sax duet: Alexis Hergott & Lauryn Koch (Superior-1), Bass Clarinet and Bari. Sax Duet: Campbell and Kinzely Bohling (Excellent-2), and our brass trio Alexa Houser, Karolyn Ozenbaugh, and Addison Brase (Superior-1).

FFA: This past month, the Bruning-Davenport FFA chapter held their 10th annual FFA Banquet and Labor auction. At the banquet, FFA members and guests were honored, the past year was reviewed, seniors retired their jackets, and the 2023-2024 officer team was installed. Thank you to all of those who attended and supported the auction. The FFA greenhouse will be open on May 5th for plant sales during the elementary track and field day, It will also be open Saturday May 6th from 10-2, or by appointment. This year the FFA will be offering custom planting, bring your own pots in and Ag Ed students will plant them for you!

FCCLA: Lincoln, Nebraska - Nearly 1,100 youth members and adult sponsors gathered for the Nebraska Family, Career, and Community Leaders of America (FCCLA) State Leadership Conference held April 2 - 4, 2023 at Pinnacle Bank Arena and the Haymarket area in Lincoln. This conference provided students opportunities to hear from the keynote speaker, participate in breakout sessions, compete in STAR Events, volunteer at local charities, tour local venues, be recognized for their work throughout the year, and elect the 2023 - 2024 State Officer Team. 44 students from Bruning - Davenport Junior High and High School FCCLA Chapter attended this year's conference.

This year's Opening General Session keynote speaker was Melvin Adams, a former Harlem Globetrotter. He retired to follow his dream to challenge individuals to succeed through focus, work and determination. With lots of humor, he did just that by inspiring members to fulfill their dreams by sharing his personal story.

Students participated in the UNL Engler Entrepreneurship Program, attended the Opportunity Fair featuring 30 colleges, organizations, and businesses for members to connect with. Students participated in FCCLA Serves projects at the Food Bank of Lincoln. Many members also attended a variety of tour options such as Lied Center, Memorial Stadium, and UNL Food Processing Center.

This year, 570 students participated in STAR events at the State Leadership Conference. STAR Events (Students Taking Action with Recognition) recognize members for proficiency and achievement in individual and chapter projects, leadership skills, and career preparation in over 30 national and five state events.

We had 4 students compete in 3 different events at the State Leadership Conference.

Traevon Houser competed in Level 1: Career Investigation and received silver.

Cynthia Ozenbaugh and Eva Oltmans completed in Level 1: Chapter Service Project Display and received silver.

Paige Oltmans completed Level 3: Job Interview and received gold. She received 4th place overall in this category at the State Leadership Conference. Congratulations to all their hard work and outstanding leadership skills.

FCCLA is a useful and dynamic national career and technical student organization that aids young men and women in their journey to become leaders and teaches them lifelong skills. It demonstrates the importance of understanding how to address important career, community, family, and societal issues through Family and Consumer Sciences education. Nebraska FCCLA has over 2,800 members in 100 chapters across the state.

Scholarship season is here!

Keep filling out scholarships! All scholarships that you have received, please send the name of the scholarship and the amount to Miss Hoffman for your graduation insert, and data for the school counseling program.

Update Your Activities Resume You'll need updated information for scholarship applications. **These are very useful when applying for scholarships and asking for letters of recommendation.** Instead of writing everything out, you can print "see attached resume" and give your recommenders a copy.

Keep your activities resume updated through college. You never know when you might need it for a college scholarship, a job, or internship.

JUNIORS ... Tasks for this Spring! Meet with Miss Hoffman about signing up for your FALL 2023 College Courses if you haven't done so already. The goal is to have everyone signed up for their college course prior to May 19 (the last day of school).

Update or Create an Activities Resume if you haven't done so yet. Nebraska Career Connections and Education-Quest have templates, along with Microsoft Word/Google Docs. **These are very useful when applying for scholarships and asking for letters of recommendation.** Instead of writing everything out, you can print "see attached resume" and give your recommenders a copy. The sooner you create a resume, the less you will have to remember your senior year. If you need any help or want to look at examples, Miss Hoffman is available and has previous years' resumes.

SOPHOMORE... tasks for this SPRING! Meet with Miss Hoffman about signing up for your FALL 2023 College Courses if you haven't done so already. This needs to be done before May 19 (the end of the school year).

Improve your STUDY SKILLS to help you earn better grades. Use your planner or planner app to track your assignments and exams. Take notes in class and while reading. Review them often. Study in a quiet place without distractions. **Take John Baylor's course [Study Skills & Test Taking Strategies](#).**
