NOVEMBER 2023

## *BOLTS: "Building Outstanding Leaders for Tomorrow's Society"*

### **FROM THE SUPERINTENDENT:** *"Well done is better than well said"* Ben Franklin

Bids are being submitted this week for camera – card key – safety project. Yesterday, we had a facilities audit by a company that specializes in long term facility upgrades. They will submit a report to us in the future.  
 Stuco is requesting a student lounge upgrade. They will be involved in some fundraising for this. Stuco also requested to reinstate the Winter Formal. I guess it was stopped because we could not find a good calendar date. We will discuss at the board meeting.  
 Football concession stand in Bruning needs a new refrigerator and possible other items. Will have more info next update.  
 JH football numbers for next year look pretty low. The coaches are looking at playing 6 man.  
 We do not have the capability to do JH science labs. We need to do some plumbing work, a few new materials and a hot water heater to be able to do that.  
 Mrs. Kowalski is finalizing bids for replacing the HVAC splits in the HS band room. They no longer work.  
 Ordered a new milk cooler for the Davenport kitchen.  
 There has been a patron presence at the last two board meetings inquiring about building a new school building. I understand this topic has been brought up from time to time over the years. There was even a feasibility study done about 10 years ago.

## Goal:

To be the best small school in the State

**FROM THE PRINCIPAL:** Finally, we can feel the autumn season in the air! This means post season for fall sports and preparing for holiday breaks! It's hard to believe we are to this point of the school year already. Before we know it, Thanksgiving break will be here, which is November 22-24. We continue to work diligently as we move through the school year!

It's been a busy time of year! We have finished up our fall term MAP and NSCAS testing and have moved into the 2nd quarter. The PreK-1st graders went on a field trip to the Reinsch Pumpkin Patch and the high school students have attended a variety of FFA competitions and career fairs. It's amazing to see how our students are learning in and out of the classroom. Every day as I stop in the classrooms, I witness the teachers implementing effective strategies to help all of our students reach their potential, not only as a student but as a human being. It's wonderful to see the kids grow in academics and strengthen their relationships with their teachers and peers. *Ruth Kowalski, Prek-1 & HS Principal*

**FROM THE PRINCIPAL:** It's crazy to think that we are already one quarter of the way through the year! I have thoroughly enjoyed getting to know all the students and staff here in Davenport. Junior High sports for the fall season have come to an end. It was great getting to see the Junior High athletes grow and improve throughout the season. I can't wait to watch them throughout the rest of their Junior High and High School careers.

Parent-Teacher Conferences had a pretty good turnout. Overall, I think things went really well and your students and I are lucky to have such a great staff to work with!

The 2<sup>nd</sup> – 4<sup>th</sup> graders got to visit the Davenport Fire Station as part of Fire Prevention Week. Judging by the smiles in the pictures I received, I'd say a good time was had by all.

Junior High students will soon be enjoying the fruits of their labor with the Rewards Party and the AR Party. As they say, hard work does pay off.

Just a reminder, as the weather continues to turn to the cooler side, please make sure your students are coming to school with the proper attire to not only be comfortable in the school but outside for recess as well. *JJ Wagner 2-8 Principal*

**DRAMA:** Our One Act play is really coming along. Our students have been working so hard to get our set ready, as well as learning blocking and lines. It is amazing to see everything come together. We are less than a month away from our first performance. The cast has been blessed to have some community members come help us with characterization and staging. A huge thank you to Lois Norder and Heather Ramsey for their early morning help. With the implementation of our new middle school bridge program, we were fortunate to add seven 8th graders to our crew this year. This makes our cast and crew 38 members strong. Coach Beals and I are excited about the progress we will see in the next few weeks and we look forward to dazzling you all with their talents.

This year, our public performance and soup supper will be held on Tuesday, November 14th. On Wednesday, November 15th, we perform at CRC in Shickley. We will be performing 2nd. We also will have a school performance on Monday, November 27th. District One Act is at Shickley this year on Tuesday, November 28th. State Play Production for our class will be Wednesday, December 6th. Once we know the approximate times of our competition performances, they will be in the weekly bulletin, online and on Facebook. Last, we have planned a post production award supper and celebration for our team on Saturday, December 9th after the High School Basketball games.

We are still looking for a few items for our set. A few of these items include a wishing well, fall leaves, old box crates, artificial grass rug, old fabric to make lunch sacks out of, a narrow old collectors shelf to put bottles of "Poison" on, and metal plates and cups(need 9 each but do not have to match). There is also a post on Facebook, or you can contact the school or Coach Collier for more information. As always, thank you for your support.

### MEET A SENIOR

**ALEXA HOUSER** is the daughter of Ryan and Kristine Houser. She has one sister Katelynn. Alexa is involved in Basketball, Softball, Track, Band, One Act, Letter Club and FFA. She is also a member of Trinity Lutheran Church and is involved with the Luther League. Alexa enjoys hunting, fishing, being outdoors and spending time with family and friends in her spare time. Her future goals are to attend SCC Beatrice and major in Criminal Justice. She would like to become a local police officer and a volunteer firefighter/EMT. Her favorite food is Nacho's from a Mexican Restaurant, her favorite TV show is The Rookie, her favorite song is *Hey Driver* by Zach Bryan and her favorite place to go to be alone is her room. The most influential person in her life has been her Grandpa Houser. "He always shows me love, laughs with me and makes sure I listen to what he says. He has helped me become the person I am today and I enjoy hunting and fishing with him" says Alexa. She would like for everyone to know that she has a black lab name Nala who makes her smile every day.

**JARON NORDER** is the son of Ted and Sheri Norder. He has two brothers, Grant and Caden. He is active in Football, Basketball, Track, NHS, Quiz Bowl, Letter Club, FFA, One Act and BDS Legion Baseball. Jaron is a member of Trinity Lutheran Church and is active in Luther League and the Sons of the Legion in Bruning. He enjoys hunting, fishing, playing sports, hanging with friends and spending time with family. He plans to study Agribusiness in the future. His favorite food is Poor Man Steak, his favorite TV Show is the Last Dance, his favorite song is *Dreams* by Fleetwood Mac and his favorite place to go to be alone is his tree stand. The most influential person in Jaron's life has been his father. "Without his hard work and dedication, I wouldn't be anywhere near where I am if it wasn't for him. He would also like people to know that he has a strong faith

## FIRE SAFETY WEEK:

As part of Fire Safety Week, the 2nd, 3rd, and 4th graders visited the Davenport fire hall on October 13. The students

learned how to prevent fires, how to be safe and escape fires, then learned about all of the trucks and ambulance. A highlight was getting a ride back to school on a water truck.

Preschool, kindergarten, and first grade students enjoyed the morning at the fire hall with three of Bruning's volunteer firemen. Needless to say, the kids loved it and learned a lot about fire safety!

Two students from the 4th, 5th, and 6th grades had the opportunity to attend a Leadership Conference at Doane University in Crete. The students got to participate in a variety of activities that revolved around 4 key leadership traits. Including, Encourage, Celebrate, and Trust.

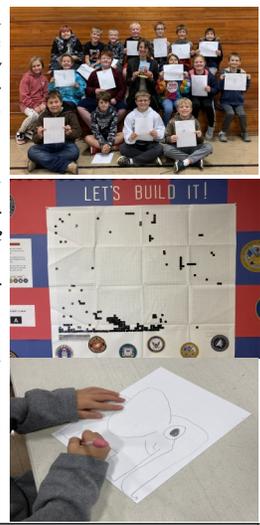

October was a busy month for our FFA chapter with two competitions and several other activities. Our district land judging competition was at the beginning of the month. At land judging, members evaluate land to determine the land capability class and soil types and textures. BD FFA took 22 members to this competition and placed 12/24 schools with 6 students placing in the top 200. The following week, the officer team put together treat bags for local farmers, and delivered them to area Co-ops where they were distributed. Later in the month, our chapter participated in District Livestock Judging. In the senior division, the BD FFA Senior team of Wyatt O., Gatlin H., Eli W., and Landon G placed 7th. Toby Voss was the high placer in the Junior division placing 8th. In the Junior High division, Blake Miller placed 4th as an individual and the team of Blake M, Collin S, Ben M, and Emma H placed 7th overall. All divisions rank classes of livestock including a cull/keep class, and Senior and Junior teams give sets of reasons. This month, the FFA chapter will be selling fruit, meat/cheese, and candy. If interested reach out to any FFA member.

**What's Happening @ Your Library** A huge thank you goes out to everyone who patronized our book fair in October! It was the best fair we have had in Bruning since I came to our district! Our sales were enough to ensure the return of the book fair to our district next year, which means students will continue to receive the benefits they get from the fair. Thank you also to all of the volunteers who helped set up & take down the fair, to everyone for letting the fair take over the library space for the week & to Mrs. Hinrichs for running the fair! Everyone working together makes the book fair successful & we couldn't have done it without you!

On October 17, we were visited by Chloe Burgett, a children's book illustrator from Lincoln. She talked about how a book gets published, not giving up, practicing & drawing. She read aloud one of her books, *Cooler Than Lemonade*, to the kindergarten through second grades & a chapter of a book she illustrated, *A-Z Animal Mysteries: The Absent Alpacas*, with the help of the third through fifth grade students. She ended with a draw along for each section, pictures, & autographing of books. Our lucky book winners were: Zane K., Rhett M., Jackson H., Jaliyah D.-M., Ryder S., Burke S., Jake F., Kaelyn S., Broderick P., Asher P., Rustin O., & Lauren L.

The students in Davenport are making a sticker mosaic together! For each book read, students receive a colored sticker to put on a poster in the hall. If they're participating in the reading program & getting the monthly prizes, two stickers are earned for fulfilling the monthly parameter. This month it is to read a book with an animal in it. The goal is to have the mosaic made by the end of the school year. We started during the month of October, so it's pretty hard to figure out what we are making right now. As the year goes by it'll become more apparent!

**WATER JAMBOREE:** Thank you to the Little Blue NRD for hosting a fun filled and interactive Water Jamboree! The 5<sup>th</sup> and 6<sup>th</sup> grade students enjoyed a day at Liberty Cove while learning about the power of water, life in Liberty Cove, migration of birds water trivia, food web systems and invasive weeds.
