BOLTS: "Building Outstanding Leaders for Tomorrow's Society"

FROM THE SUPERINTENDENT: The end of the semester is quickly approaching and the winter holidays will soon be upon us. The winter holidays are a time to spend with family and friends making memories. It is my hope that you are able to see family or are able to talk with them during the holiday season. As 2022 comes to a close we need to take the time and reflect on the year. I am sure there have been some good and maybe some not so good things that have happened to you this year. Regardless of our circumstances, we have a lot to be thankful for this year. There are also people that come into our lives that help us get to where we are, it may be a former teacher, neighbor, coach, co-worker, parent, sibling or a relative. Take the time to thank them for making an impact on you. You won't regret taking the time. I am thankful for the students and staff at BDUSD. They have been a pleasure to work with. Thanks for all of your hard work, dedication, and leadership. I am thankful for a great board to work with and the commitment they make to our students and staff. We have made some improvements to our facilities and it is not possible without their support.

Finally, I am thankful to the parents and patrons of BDUSD. Whether it is cheering on our athletic, one act, and speech teams at events, volunteering in various buildings, or giving graciously of your time and money to our district. It is the support and dedication of the parents and community members that truly makes our schools great! Thank you to all of you who are members of the Bruning-Davenport USD community. May you have many blessings throughout the holiday season!

Nebraska Education Profile The Nebraska Department of Education (NDE) has released the Nebraska Education Profile. As you may recall, the profile replaced the State of the Schools Report that gave state, district, and school test data. You will find our assessment data for each of the groups on the NDE website (<http://nep.education.ne.gov>). The State released our new AQuESST (Accountability for a Quality Education System, Today and Tomorrow) classification rating. The AQuESTT classification combines performance on several indicators grouped by tenet to provide schools and districts with an overall descriptive classification of Excellent, Great, Good, or Needs Improvement. The tenets include Positive Partnerships, Relationships, and Success; Transitions, Educational Opportunities and Access; Teaching, Learning, and Serving; Assessment; and Educator Effectiveness.

BDS Athletics Thank you! Bruning-Davenport USD wishes to thank all the businesses and agencies that supported our teams throughout the activity seasons by purchasing advertisements on the radio stations during their broadcasts. We are truly appreciative of your support of all the activities we participate in during the school year. Without your support, many of our patrons would miss out on the experience of hearing about our students. **Mr. Kolin Haecker, Superintendent**

FROM THE PRINCIPAL: I hope you had a wonderful Thanksgiving and that you will enjoy this holiday season. December has arrived and all of us at Bruning-Davenport USD are anxiously awaiting the arrival of the holidays! The first semester is coming to a close and our students are busy—they are performing in Drama Productions, preparing for Christmas concerts, and beginning winter sports practices. Meanwhile, our faculty are equally as busy—preparing for the conclusion of the first semester, holiday celebrations and semester finals. I know that all in the Bruning-Davenport USD are looking forward to some well-deserved rest. I hope that you enjoy time with your family and friends as you celebrate the Christmas season.

We enter the holiday season with a deep sense of gratitude for the communities we live and learn in; for the attendance and support for Grandparents' Day, for cheering on our athletes throughout their respective seasons, for their support through the soup supper for the play production, meals for athletes during away games, for sponsoring advertising for the Yearbook, and attending fundraisers for FFA. Our school community continues to grow as a caring, warm and positive environment; where all students are nurtured and challenged to excel.

VETERANS DAY: Bruning-Davenport student council members planned the Veterans Day program this year on November 11th, 2022. Student Council members include JessaLynn Hudson, Malory Dickson, Wyatt Ozenbaugh, Jaron Norder, Alexis Hergott, Maia Oltmans, Brayden Gardner, and Toby Voss. Members participated in the POW/MIA Remembrance Service. The POW/MIA Remembrance table is usually set up in military dining facilities of the U.S. armed forces and during occasions such as service branch balls, in memory of fallen, missing, or imprisoned military service-members. The table serves as the focal point of ceremonial remembrance, originally growing out of U.S. concern of the Vietnam War POW/MIA issue. Today, it honors all the Veterans who have served and are classified as Prisoners of War or Missing in Action. We also had the privilege of having a guest speaker. We were incredibly humbled and proud to have Deshler alumni Staff Sergeant Sam Hansen here for our Veterans Day Program, who has proudly served our country for 14 years and 5 months. Thank you, Staff Sergeant Hansen, and thank you to all the veterans for your work and sacrifice!

VETERANS DAY: The Veterans Day program was held at Bruning-Davenport Middle School on November 11 at 9:30. Mr. Kolin Haecker opened the program by introducing the Middle School band playing the "Star-Spangled Banner" under the direction of Mrs. Megan Hulse.

The 8th grade including Kennedy Barney, Koleman Cox, Peggy Galaway, LeTrell Houser, Cynthia Ozenbaugh, and Briley Rayburn, under the tutelage of Mrs. Deb Albers, presented the POW-MIA Remembrance Table. Cynthia Ozenbaugh read the Presidential Proclamation and LeTrell Houser read the "History of Veterans Day" Mrs. Deb Albers presented a special award to Shelby Miller for raising \$160.00 for the Davenport Auxiliary. Staff Sergeant Sam Hansen was our guest speaker. He told the crowd to be proud of our veterans. He told us that he joined because of those heroes. Mr. Haecker thanked everyone for coming to conclude the ceremony.

DRAMA: We have had some amazing progress these past few months putting together the many different parts of our elaborate play! Luckily things are going smoothly and as a team we have started off well with our first dress rehearsal with some guest judges who were kind enough to help work with our students on a Saturday afternoon. We followed it with a very tasty pot luck which was a treat of its own.

We just performed at Conference in Shickley on the 16th of November. The scores were all very close for 3rd-7th place. Though we took 7th, with a few adjustments I am confident this team is going to have a better showing at Districts on December 1st. This team has worked so hard and are on the cusp of something truly great. We are very proud of them.

Please don't forget, our Free Will Soup Supper and Public Performance is on Tuesday, November 29th in Davenport. The Soup Supper starts at 6:00 with the show starting at 7:00. We look forward to seeing you there! Don't miss out on our great performance of Butterfinger by Adam Pasen! Feel free to come support us at Districts hosted in Shickley-Thursday, December 1st. Our performance is scheduled to begin at 1pm.

HIGH SCHOOL BAND: Congratulations to Alexa Houser and Braiden Durlflinger for a great rehearsal day and performance the evening of November 5th at 2022 Doane University's Fall Festival. They did an awesome job performing at the honor band.

The high school band did an amazing job performing for the veterans day program here in the Bruning Building. They helped honor our service members with our annual performance of Arms Forces Medley, "Marches of the Armed Forces arranged by Michael Sweeney.

Upcoming we are having a Christmas Concert Tuesday December 6th in Bruning featuring the elementary, middle school, and high school band. Come join us in the musical festivities!

FOODS AND NUTRITION: On November 16, Foods and Nutrition students delivered assorted muffins to staff members in both buildings and area businesses. These were a token for our appreciation of them and their support for Family and Consumer Sciences classes and FCCLA. Foods and Nutrition students learned basic math, practiced preparation and baking recipe terms, changing the yield, and equivalences. Thank you again for all your support, we really do appreciate it.

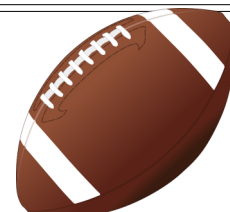

ADULT LIVING: On November 10 and 11, Adult Living Class wanted to make a difference in their community, so they applied budgeting and meal planning/recipe costs to plan a meal for a family in our community. Students were given \$15 a piece to plan and create a meal for a family of 7. Students had to consider dietary restrictions, also. Students made a breakfast casserole, a Dorito casserole, and cream cheese/cookie dough brownies. After the items were prepared, we delivered them to the Philippi Family. The students had a lot of
