Available scholarships?

Doane is a participant in the Access College Early (ACE) Scholarship which pays tuition fees for qualified, low-income high school students to enroll in college courses from Nebraska's colleges or universities.

Application and enrollment for Doane's Dual-Credit Program opens January 2023!

Tiger today, where to tomorrow?

Dual-credit classes are taught online and on-ground by Doane faculty. And when combined with Doane's liberal arts approach, will push students to think critically and creatively, communicate effectively and navigate complex topics — valuable skills that will set them apart as a leader at any college, in any career.

Two Pathways. One Program.

The Dual-Credit Program offers students the ability to check off general requirements and dive into studying their dream career. Pre-designed pathways ensure students meet standards through a set of courses that apply to an academic major at Doane University and most other four-year institutions.

Doane Core Pathway

Students can complete credit hours toward general requirements that can be applied toward any bachelor's degree at Doane. They get a taste of the immersive liberal arts education synonymous with Doane via courses focused on foundational areas of knowledge:

- Community and Identity
- Rhetorical Communication
- Global and Cultural Context
- Scientific Perspectives
- Human Creativity
- In Search of Meaning and Values
- Liberal Arts Studies
- Experiential Learning

Educator Pipeline Collaborative (EPiC) Pathway

Doane has a reputation of being one of the best educator preparatory programs and is accredited by the Council for Accreditation of Educator Preparation.

The EPiC pathway prepares future teachers and educators with the skills, resources and confidence to lead a classroom. Students begin their journey toward a career as an education professional, earn credit toward their bachelor's degree in education, complete practicum hours in the classroom and network with fellow future educators.

The EPiC Pathway = 15 credit hours

- Foundations to Education
- Intro to Exceptional Learners
- Child Development
- Instructional Technology
- Practicum

EPiC Pathway students from eligible schools will have 100% tuition for education courses covered by the EPiC grant in 2023-2024.
