## Goal:

To be the best small school in  
the State

We are off to a wonderful start this school year! Students are doing a great job learning and following routines, and we are already seeing so many examples of kindness and leadership throughout the building.

One new initiative we've started this year is a Behavior Form that allows staff to recognize both positive and negative behaviors. Because of this, students are receiving Positive Office Referrals when they go above and beyond, whether that's showing kindness to a classmate, stepping up as a leader, or modeling our school expectations. It has been exciting to celebrate these moments with students and families.

We are also proud to share that several of our students will soon be representing our district at an upcoming Leadership Conference. These students were chosen not just for their academic success, but also for their ability to positively influence their peers and step outside their comfort zones.

As always, thank you for your support at home. Together, we are helping our students grow into the outstanding leaders of tomorrow!

Melinda Kerwood - Principal, Davenport Building

Hello fall! We are going full force into classes and activities at this time of the year. Students are busy with field trips, testing, and athletics and activities. While I'm sure it feels a bit overwhelming as we are in the thick of it, I can assure you that the students are doing a great job.

As we are getting closer to the end of the first quarter, it means it will be time for parent-teacher conferences. These will be held on Thursday, Oct. 9th at Bruning for all grades. We will have a 1:00 dismissal, and conferences will begin at 2:00 p.m. The PreK-4th grade parents can sign up for a specific time using the PTCFast.com system, which is available on the Bruning-Davenport Facebook page. If you do not have access to that, please contact your child's teacher to set up a time. The 5th-12th grade teachers will be available in the Bruning gymnasium from 2:00-8:00 that same day. This is an important time for parents to come together to discuss their child(ren) with their teachers. Continual celebrations of academic success and conversations about growth and goals are crucial in the success of our students. Please take the time to attend these conferences and be open to teaming with the B-D staff to continue your child's academic growth. If you are unable to attend the scheduled conference time/date, we ask that you please contact your child(ren)'s teachers to reschedule or touch base with your student(s)' progress. Following the conferences, there will be no school on Friday, October 10th.

The month of October is an exciting time for all of our organizations, as some of the FFA members will be heading to the National Convention in Indianapolis and our athletic teams will be starting post-season play. Our One-Act team is also working diligently to perfect their upcoming performances in November of their script, "An Evening with Culture." It is a fun, comedic spin-off of Romeo and Juliet! Please come to show your support to the students and sponsors by attending these events!

As always, thank you to all the parents and community members for the continued support of our amazing school district. Without you, we would not be able to work toward our goal of Building Outstanding Leaders for Tomorrow's Society.

Ruth Kowalski

Principal, Bruning Building

## What's Happening @ Your Libraries

As I mentioned in our last newsletter, our students have access to e-books for research & reading for pleasure this year. Part of the proceeds from our recent book fairs went to a subscription to [Lightbox Learning](#). There are books for grades K-12 at this site. These 1,347 books are very engaging and come in English and Spanish. They have videos, interesting facts, and websites for learning more about the topic. They can be read aloud to a student. The print can be enlarged if needed. The books for the younger kids have "transparencies" (some of us remember the overhead projector!), Google maps, quizzes, activities, and slideshows. Some of the titles are AR quizzable if the student wants to do so. Students will learn how to use Lightbox e-books during library classes. They are accessible via the link above or by going to the district website and going to the "Students" menu & clicking on "Library". Scrolling down the page will take you to the clickable "Lightbox" icon. Thank you to all who support our book fairs which enables us to provide this resource to all students!

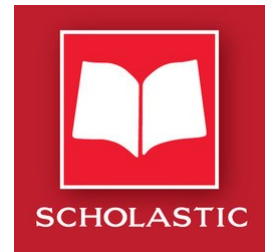

### Digital Citizenship Tip

Many students (and adults?) spend several hours a day online on various devices for many reasons, whether it be for work, school, research, or just for fun. Here at school your student is limited in time on personal devices, but we do use technology in our classrooms. Do people need to be as connected to devices as they are? How much technology is too much? Here's an article that sheds light these questions from [Common Sense Media](https://www.common sense media.org/kids-action/articles/what-parents-need-to-know-about-technology-addiction). <<https://www.common sense media.org/kids-action/articles/what-parents-need-to-know-about-technology-addiction>>

### PLEASE SAVE THE DATE!

Due to scheduling conflicts, our Scholastic Book Fair will not be held during the week of Parent-Teacher conferences! We hope you will visit it during the week of December 1-5 in Davenport instead! It will be open during the evenings of the basketball games that week. We look forward to seeing you then!

**C**ounselor's Corner: In K-5th grade Guidance we are finishing up the Child Protection Unit and since October is Bullying Prevention Month, we will begin our Bullying Prevention Unit. A letter will be sent home with your child and we will continue Home Links to be completed at home with your child.

In 6th grade we will begin our Second Step Curriculum as well as learning ways to prevent bullying and ways to report bullying.

The 7th and 8th graders have created accounts on EducationQuest which will begin their college and career planning.

The Freshmen are settling in and have gained a few new students. They will be meeting with me this month to work on their future planning through EducationQuest

The Sophomores will be attending a Career Fair on October 7th at the Hebron Stastny.

The Juniors and Seniors continue to work on their academics and I have continued to send many emails to students and parents about college visits and preparing for the PSAT-NMSQT and ACT. The Juniors will be taking the PSAT-NMSQT on October 15th with a practice test on October 8th. The Juniors attended a college fair at SCC and would like to go again next year!

Also, October 23rd-31st is Red Ribbon Week and the students will celebrate being drug free with some extra goodies!!

Thanks for all you do,

Marci Reinsch

K-12 School Counselor

Dr. Anthony (Tony) Fehr, a Bruning-Davenport alumni and currently an associate professor at the University of Kansas, was recently awarded the highly distinguished 2024 President's Early Career Award for Scientists and Engineers (PECASE) for his groundbreaking research on coronaviruses. Tony, son of Roger and Chris Fehr, was a 2001 graduate of Bruning-Davenport. He was involved in football, basketball, track & field, choir, band, speech, and other activities while in high school. Tony earned a bachelor's degree in Biochemistry from the University of Nebraska-Lincoln where he began studying viruses and then got his PhD in Microbiology at Washington University in St. Louis, completing thesis research in virology. Dr. Fehr then did a post-doc at the University of Iowa where he started working on coronaviruses before starting his own lab as a professor at KU. Dr. Fehr's research focuses on understanding the function of a specific coronavirus gene called Mac1 and is also developing antivirals and vaccines targeting Mac1. Tony lives with his wife Rachel and their two children in Lawrence, Kansas.

On August 27, the 2nd, 3rd, and 4th graders enjoyed a trip to the State Fair! Students enjoyed some fun shows such as a Dog Show and Pig Races. Our students also got the awesome opportunity to explore the Nebraska building, which is an area where students learn all about some of the great agriculture products and companies that call our state home! These elementary students finished their day with a sweet treat of their choice!

### MEET A SENIOR

**ELIZABETH HINRICHS** is the daughter of Jered and Tammy Hinrichs. She has one older brother, Galtin, who attends CCC in Hastings and studies diesel mechanics. Elizabeth is involved in FFA and One-Act and is a member of Zion Lutheran Church in Carleton. Elizabeth enjoys attending tractor and car shows, playing with her mini aussie Reba, gardening and working in her greenhouse, and hanging out with her family. She plans to attend Northeast Community College and enroll in the Physical Therapy Assistant Program. Elizabeth's favorite food is steak, her favorite TV show is anything on the Hallmark channel, her favorite song is Chattahoochee by Alan Jackson, and her favorite place to be alone is walking with her dog in her back pasture. The most influential person in Elizabeth's life has been her Aunt Laura. "We are so much alike. I admire her bravery, determination, and faith when she had to undergo a major heart surgery. We also have a great love for animals and we enjoy listening to the same type of music. I feel like I can talk to her about anything. I can also ask her opinions on a prom dress when my dad shoots me down!" Elizabeth would also like everyone to know that she likes to be on the farm and drive tractors. She likes harvest time the best and takes a lot of pictures for her family. "My Great-Grandpa loved harvest time as well; it was his favorite time of year!"

## **Bruning- Davenport FCCLA- Leading the American Way!**

September was a great month for starting FCCLA Projects.

First, a “Quilt of Valor” made by Josie Stanek and Aliviah Barney. This project started early this summer, and made a trip to the NE State Fair- where they received a purple ribbon. This quilt will be presented to a local Veteran at the Veteran's Day Ceremony, in November. Phyllis Schoenholtz and other community quilters help these members see the project to completion.

On Constitution Day, 6 members of the BD FCCLA provided refreshments for the United States Citizenship Naturalization Ceremony, held September 17th at the Homestead National Monument.

This was an exciting moment in time for the students to witness the process of 27 immigrants becoming American Citizens. The 6 FCCLA members are also students in the food class. They worked both during class and outside of the school day to make this happen. CJ Ozenbaugh, Kennedy Barney, Brodrick Dunn, Grady Holtzen, Shawn Sunday, and LeTrell Houser.

Joining this group were the senior Government class members along with their instructor, Mr. Boshart.

### **Watch for events in the coming months-**

#### **October-**

Trunk for Treat in Davenport- Oct 26th

Halloween Hall in Bruning Oct 30th

#### **November-**

Home for the Holidays Dinner at the Opera House Nov13th

#### **December**

#### **"Hammin" It Up for the Holidays-**

**Toys for Joy-** waiting to hear on a grant from the NE Community Contribution Project.

**Middle School Chapter-** will be planning a lock-in, helping with Halloween Community Events, and the Hot Chocolate stand and decorating cookies at the community tree lighting.

**FFA and Agriculture Education Update:** The Bruning-Davenport FFA and Agriculture classes have had a productive and exciting month of September. To kick off the month, the FFA sold mums to the community, with great participation and support. Many FFA members helped run the bounce houses and bingo at Milo days, contributing to a fun and successful community event. The seniors in FFA (Tobby Voss, Lauryn Koch, Elizabeth Hinrichs, Taylor McBride) assisted the Nebraska Cattlewomen and Nebraska Extension at Ag Venture day in Geneva. These members led groups of fourth graders from station to station where they learned about different areas of agriculture. Many members of the FFA chapter attended Husker Harvest Days in Grand Island. This event gave students the opportunity to meet and speak with industry professionals, explore new technologies and equipment, discover potential career paths, and connect with college representatives. Towards the end of the month, we attended area range judging competition. This event challenges members to identify range plants and their characteristics, as well as solve ranch map problems. This event was fun to attend this year as it took place right here in Thayer County. FFA members in Ms. Vyhnalek's Ag Leadership Class hosted the Nebraska Farm Bureau at the Bruning Opera House on September 23rd. Six other area chapters attended and the Nebraska Farm Bureau taught members about promoting agriculture in their schools as a part of the Connecting Chapters program. The middle school members wrapped up the month by attending Ignite conference in Kearney. They had the opportunity to learn more about FFA, network with FFA members, and gain leadership skills. We had a busy month in September, and we will continue to stay busy as we have many more competitions and upcoming events.
